

## Deck Wash

### DESCRIPTION

Fast acting , no-scrub wood revitalizer removes dirt and stains caused by mildew, algae and fungus.

#### TV-1 Formula:

Percent solids by weight: 8 to 11%

Viscosity: Water thin

Weight per gallon: 8.5 +/- 0.1 lb

**COVERAGE:** One gallon will clean 250 - 300 sq. ft.

#### Product Features

- Cleans in minutes
- Restores natural look to weathered wood

**RECOMMENDED USE:** Designed to clean, revitalize and remove discoloration caused by mildew, algae, fungus and dirt stains from wood decks in minutes without scrubbing.

**HELPFUL HINTS:** Before starting, test a small area first and let dry to ensure proper results. Avoid walking on surface while it is being treated. On redwood, cedar and around knotholes darkening may occur. Contact store for further instructions. **DO NOT MIX WITH OTHER CHEMICALS OR CLEANERS.**

**COVERAGE:** One gallon will clean 250 - 300 sq. ft.

**CLEAN UP:** Use warm water and soap.

**DISPOSAL:** Use up or give away excess product . Do not reuse empty container. Rinse and place in trash or recycling receptacle.

**HANDLING & STORAGE:** Avoid extreme temperatures. Store in a cool, dry area. Close container after each use. Do not mix with other household chemicals – generation of hazardous gases may occur. If frozen, thaw and mix before use.

---

**APPLICATION METHODS:** Use at full strength on dry wood. One gallon will clean 250 - 300 sq. ft. Apply liberally with brush, roller or garden sprayer. Let stand for 5 -10 minutes, then rinse thoroughly with water; prolonged contact with metal may cause pitting and discoloration. On heavily weathered substrate, a light scrubbing or second application may be necessary. Wash hands thoroughly after use.

### CAUTION
